THE HOT POTATO BAND - artists in residence

Hot Potato Band's larger-than-life brass collective is a breath of fresh air, setting a new bar for energetic and interactive musical performances. Finding home in Sydney, Australia, their positive coastal energy pushes euphoric boundaries in their bold quest to reignite acoustic instrumentation

The Hot Potato Band have been working with The Con Artists, community ensembles and Youth bands at Wollongong Conservatorium of Music. Their residency made possible by a 2022 Create NSW Organisation Grant
