

# Music Therapy Pricing 2024

## Cost Per Hour

The cost for our music therapy program in 2024 is \$180.80 per hour. This applies to all services including therapy, therapist travel, and report writing. Where a session is shared among multiple clients, the hourly cost is divided equally among them.

### Provider Travel

Where an arrangement has been made for sessions to be delivered somewhere other than at WollCon's premise in Keiraville, travel cost will be involved.

Travel is charged for the round trip, in units of 15 minutes, with a 30-minute minimum cost.

### Shared and Group Sessions

When participants approach us as an existing pair or group, shared or group sessions can be arranged.
